

PRE-MORTUARY SCIENCE

In conjunction with local funeral homes and the State of Nebraska, MPCC has created a pathway for those students interested in the field of Mortuary Science. Below is a suggested sequence of study for those students interested in pursuing a career in Mortuary Science. The courses below would meet all requirements for the Associate of Science Degree at MPCC and fulfill licensure requirements through the State of Nebraska to then enter a full course of instruction at an Accredited Mortuary Science school (<https://nfda.org/careers/schools-education/>).
