Student Organization Handbook

Welcome Student Organization Member!

Dear Student,

Mid-Plains Community College recognizes the unique benefits of student involvement in campus and community activities. Being involved in a student organization can be a fun and rewarding experience. Not only can you enhance your skills and abilities, but you can also meet new people and make a difference in the lives of others. Many of the activities and events in which you participate can help develop leadership skills and prepare you for success beyond Mid-Plains Community College.

All organization members are student leaders! Being a student leader involves both responsibilities and opportunities. As you represent your organization through its activities and events, remember you are also representing Mid-Plains Community College. In this Student Organization Handbook, there are guidelines and expectations that the Student Life Office and Mid-Plains Community College have for student organizations and student leaders.

Please pay careful attention to the information provided. We hope you will find your involvement to be a worthwhile experience that helps you grow as an individual. As a student leader, take some time to learn and gain new understanding from your experiences. If you ever have any questions or need advice or guidance, please visit with the Student Life Office staff. We are here to help!

MPCC Student Organization/Club Sport Status Definitions

- **Active** - An organization is designated as 'Active' when it has successfully fulfilled the annual requirements to maintain its recognition status. Once the criteria have been met, the student organization or club sport is considered 'Active' and is entitled to the privileges of recognized student organizations or club sports.
- **Inactive** – A student organization or club sport is classified as 'Inactive' if it has not met the annual requirements to maintain its

recognition status. While in this status, the organization does not enjoy the privileges of recognized student organizations or club sports. To regain 'Active' status, the organization must complete the annual requirements for recognition.

- **Dissolved** – MPCC may choose to 'Dissolve' a student organization or club sport under certain circumstances. These include if the organization has been inactive for the past two years, if the membership of the organization requests dissolution, or if the organization is found responsible for multiple violations of the Student Organizations Handbook. If such a group wishes to regain recognized student organization status, it will need to complete the Steps to Student Organization or Club Sport Recognition process.

Steps for Recognition of a New MPCC Student Organization/Club Sport

A student organization / club sport must complete steps to be recognized on any MPCC Campus.

1. **Register as a Temporary Organization.** Set up a meeting with your campus Dean of Student Life. At the meeting, you will:
 - a. Be asked to share name, student ID, contact information and a rough draft of the proposed organizations constitution or by-laws. If the recognized student organization / club sport is affiliated with a national or regional organization, a copy of the national/ regional constitution or by-laws must be submitted at this time.
 - b. Begin your 30-day period as a temporary student organization / club sport to complete the recognition process. Benefits of temporary status:

2. **Advisor** - Your potential advisor will be required to meet with the Dean or Associate Dean of Student Life and the Assistant Director for Multicultural Leadership and Engagement to discuss Responsibilities of the Student Organization Advisor and review the Student Organization Handbook. If the potential advisor agrees to abide by these terms and meets advisor criteria, then they may be approved as an advisor.
3. **Membership** - At a minimum, there must be at least one Member in Good Standing for each Officer or Appointed position listed in the constitution or by-laws in order to be recommended for recognized student organization / club sport status.
4. **Constitution** - Schedule a meeting with potential members and your advisor to refine your rough draft of the constitution or by-laws. Once completed, it will need to be approved by the Dean of Student Life to make final decision of its status. An example of a constitution may be found in Appendix A.
5. **MPCC Student Senate, MPCC Cabinet, and MPCC Board of Governors Approval**– Organization members must make a presentation to MPCC Student Senate (Senate), MPCC Cabinet (Cabinet), and MPCC Board of Governors (Board), in listed order, for final approval. The presentations will require the advisor and at least one member of

the organization to share the following: Name of the Organization, Purpose of the Organization, Potential Activities of the Organization.

Other questions may arise from each of these groups. Changes to the Proposed Constitution may be required before moving to the next approval group.

6. **Recognition Status** - Following the presentation to Senate, Cabinet, and the Board, each will recommend "approval", "re-evaluation", or "disapproval" of the organization. Should all three groups recommend approval, the organization will have earned recognized student organization / club sport status.

Duties of the Advisor:

- To understand the requirements pertaining to student organizations as well as institutional policies governing students at Mid-Plains Community College to assure that they are met and upheld by the organization.
